**Directions:** Complete while reading the *Career Exploration* information sheet 2.3.2.F1.

**Step One: Learn More About Yourself**

Two things I need to remember  
(key points from the reading)

Two examples of how this applies to my  
career exploration  
(personal connections or any questions)

**Step Two: Research Identified Occupations**

Two things I need to remember  
(key points from the reading)

Two examples of how this applies to my  
career exploration  
(personal connections or any questions)

**Step Three: Evaluate Research**

Two things I need to remember  
(key points from the reading)

Two examples of how this applies to my  
career exploration  
(personal connections or any questions)
