Name _____

Date _____

Class _____

Directions: Research four non-profit organizations – two that are available nationwide and two that are only available in your local community. Use the table below to describe the purpose of the non-profit and how you could give and receive from that non-profit. (4 points per non-profit)

What is the name of the non-profit organization?	What is the purpose of this non-profit organization?	How/What can I <u>give</u> to this non-profit organization?	How/What could I <u>receive</u> from this non-profit organization?
Available nationwide:			
Available only in my local community:
